- Developed and implemented strategies to enhance team performance, improve processes and boost results.
- Worked productively as lead or helping team member to drive customer satisfaction.

Education and Training

Victoria University (VU) - 160 Sussex St, Sydney NSW 2000 | Bachelor's in information and technology

Website And Mobile Application Development, 02/2023

High Distinction in most of the subjects Soft Skills:

Problem solving and critical thinking Debug and monitor applications Strong communication and interpersonal skills Work in a team for projects Designing websites on Visual studio, High Distinction, Distinction and Credit average.

QIBA (Queensland International Business Academy)Location: QIBA - Level 10/140 Elizabeth St, Sydney NSW 2000 | Diploma of Software Development

Website Development , 09/2021

Skills

Technical Skills

Programming Language:	JavaScript (ES6+), HTML, CSS, C#, Python
Backend	Node.js, Express.js, jQuery, Docker and k8s, python, API, SQL technologies.
Frontend	React.js, TypeScript, Redux, HTML5, CSS3, Styled Components
Database	MySQL, MongoDB , AWS, tableau, Exell , PostgreSQL, Azure
Version Control	git
Tools	Visual Studio Code, NPM, Postman
Operating Systems	Windows, Linux, OS

Soft Skills

- Problem solving and critical thinking with passion, pragmatism and empathy.
- Unit tests (utilizing react-testing-library), integration tests (employing cypress), and maintaining thorough documentation.
- Strong Communication Skills and Good Teamwork
- Agile/Scrum Methodologies
- Tests and deployments web sites
- Proficiency in DevOps techniques and a comprehensive grasp of both DevOps practices and agile methodologies.
- Robust engineering fundamentals (covering error management, test pyramid, deployment strategies, and Infrastructure as Code).

Personal projects

- **Scholarship (Scholarship-Website):** Developed a platform for students to apply for scholarships and ranked them based on officer reviews.

GitHub - <https://github.com/lokiSharma0/scholarshipwebsite>

- **Simple Calculator:** Created a calculator to perform numerical calculations.

GitHub - https://github.com/lokiSharma0/Simple_Calculator

- **Birthday Reminder:** Developed an application to track and manage birthdays.

GitHub - <https://github.com/lokiSharma0/proj1react>

- **Linkwalla (Facebook Clone, under development):** Designed a social media platform like Facebook.

GitHub - <https://github.com/lokiSharma0/socialmediareactjs>
